10 + Experience....

About

Our Company

SUDEEKSHA INDUSTRIES is an ISO 9001-2015 certified company having vast experience in design & manufacturing of Electrical Control & Automation panels & Service.

Our Philosophy and commitment, to deliver quality products on time, meeting strict customer guidelines are the company's strength setting us apart from our competitors.

Our commitment to this philosophy over the years has transformed the organization as sustainable enterprise with specific financial, social and customer-friendly goals.

We have implemented a complete quality control system & strictly adhere to internal quality control standards. Our dedicated & experienced staff members as well as engineers monitor the entire production Process & ensure that all final products meet the expectations of our most valued clients.

SUDEEKSHA INDUSTRIES offers comprehensive range of products that are designed, developed & type tested in accordance with relevant standards at independent recognized testing facility like CPRI India.

SUDEEKSHA INDUSTRIES have aim to solve your electrical issues by providing 360 degree Electrical Services, & we ensure that our clients are 100% satisfied with the services our company provides.
